

ENGLISH LANGUAGE PROGRAM

Content and requirements for the English exam

The purpose for an entrance exam in English is to have an objective and comprehensive assessment of the applicants' ability, knowledge and level of English language skills, in order to determine how prepared they are to study in English.

During the exam, the applicant must demonstrate knowledge and skills equivalent to an IELTS score of 6.0.

The Exam consists of two parts:

Part 1: Text analysis

Applicants will be given a short academic text with a theme related to biology and they will have to summarize and express their opinion on the presented topic.

Part 2: Interview

The second part of the oral exam will be held in the form of an interview in order to understand the student's motivation for coming to this University and choosing this major.

Grading Criteria

The exam is intended to identify the applicant's:

- Analytical ability
- Logical thinking
- Reasoning
- Oratory competency, and
- Erudition

Exam will be rated on a 100- point scale.
